

City of Alexandria, Virginia

MEMORANDUM

DATE: APRIL 19, 2005

TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM: JAMES K. HARTMANN, CITY MANAGER 

SUBJECT: RESOLUTION AUTHORIZING THE ISSUANCE OF BONDS BY THE INDUSTRIAL DEVELOPMENT AUTHORITY OF THE CITY OF ALEXANDRIA FOR THE AMERICAN STATISTICAL ASSOCIATION

ISSUE: Resolution authorizing the issuance of bonds by the Industrial Development Authority of the City of Alexandria (AIDA) in an amount up to \$6,920,000 to assist the American Statistical Association in financing several projects within the City of Alexandria.

RECOMMENDATION: That City Council adopt the attached resolution (Attachment 1) as recommended by the AIDA at its meeting on April 12, 2005.

DISCUSSION: On April 12, 2005, the AIDA adopted a Resolution (Attachment 2) authorizing the issuance of up to \$6,920,000 in AIDA bonds to assist the American Statistical Association in the following:

- Financing the cost of acquiring, renovating and equipping the American Statistical Association's new headquarters building at 732 North Washington Street and three separate lots for parking at 710 N. Madison Street, 806 N. Columbus Street and 815 N. Columbus Street;
- Financing the cost of funding a debt service reserve fund, working capital and capitalized interest; and
- Financing costs associated with the foregoing, including credit enhancement fees, other eligible expenditures and the costs of the issuance of the revenue bonds.

The American Statistical Association is a Section 501(c)(3) organization currently headquartered in the City. The American Statistical Association was founded in 1839 and incorporated in 1841 as a professional association serving statisticians and all individuals interested in statistics and its applications, to promote unity and effectiveness of effort among all concerned with statistical problems, and to increase the contribution of statistics to human welfare.

The American Statistical Association is moving from their current headquarters on Duke Street to a larger 27,000 square foot building on Washington Street. The prior plan to lease a portion of the new building now under construction at 124 South West Street has changed, and they are moving to the Washington Street building, which they will own, instead. The Washington Street building will provide the American Statistical Association with expansion space to meet future needs.

FISCAL IMPACT: The AIDA has the authority under State law to issue tax-exempt Industrial Revenue Bonds for certain non-profit organizations such as the American Statistical Association. An administrative fee is charged to applicants for the bond financing. The fee is used to partially fund the operating costs of the Alexandria Economic Development Partnership (AEDP). The AIDA will receive a fee of \$37,500 to issue the bonds.

The City is not obligated to repay the bonds or the interest on the bonds. The bonds do not contain any pledge of the City's faith and credit. The obligation rests solely with the American Statistical Association.

The American Statistical Association's buildings have been and will continue to be subject to the City's real property tax.

**RESOLUTION OF THE INDUSTRIAL DEVELOPMENT
AUTHORITY OF THE CITY OF ALEXANDRIA
AUTHORIZING THE ISSUANCE OF UP TO \$6,920,000
OF ITS REVENUE BONDS FOR THE PURPOSE OF
FINANCING CERTAIN COSTS RELATED
TO A FACILITY LOCATED IN ALEXANDRIA, VIRGINIA**

WHEREAS, the Industrial Development Authority of the City of Alexandria, a political subdivision of the Commonwealth of Virginia (the "Authority"), is empowered by the Industrial Development and Revenue Bond Act, Chapter 49, Title 15.2, Code of Virginia of 1950, as amended ("Act"), to issue its revenue bonds for the purpose of financing and refinancing facilities for use by an organization (other than an organization organized and operated exclusively for religious purposes) which is described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), and which is exempt from Federal income taxation pursuant to Section 501(a) of the Code;

WHEREAS, the Authority has received a request from the American Statistical Association (the "Borrower"), requesting that the Authority issue its revenue bonds to assist the Borrower in financing (i) the costs of acquiring, renovating and equipping the Borrower's national headquarters building located at 732 N. Washington Street and three separate lots for parking with the addresses of 710 N. Madison Street, 806 N. Columbus Street and 815 N. Columbus Street in Alexandria, Virginia (the "Facility"); (ii) the costs of funding a debt service reserve fund, working capital, capitalized interest; and (iii) other costs associated with the foregoing, including credit enhancement fees, other eligible expenditures, and the costs of issuance of the revenue bonds (collectively, the "Project");

WHEREAS, such assistance will benefit the inhabitants of the City of Alexandria, Virginia and the Commonwealth of Virginia;

WHEREAS, preliminary plans for the financing and refinancing of the Project have been described to the Authority and a public hearing has been held as required by Section 147(f) of the Code and Section 15.2-4906 of the Act; and

WHEREAS, the Borrower has represented that the estimated cost of the financing and refinancing of the Project and all expenses of issue will require an issue of revenue bonds in the aggregate principal amount not to exceed \$6,920,000.

NOW, THEREFORE, BE IT RESOLVED BY THE INDUSTRIAL DEVELOPMENT AUTHORITY OF THE CITY OF ALEXANDRIA:

1. It is hereby found and determined that assisting the Borrower in financing the Project will be in the public interest and will promote the commerce, safety, health, welfare, convenience or prosperity of the Commonwealth of Virginia, the City of Alexandria, Virginia and their citizens.

2. To induce the Borrower to maintain the location of the Facility in the Commonwealth of Virginia, and particularly in the City of Alexandria, Virginia, the Authority

hereby agrees to assist the Borrower in financing the Project by undertaking the issuance of its revenue bonds in an amount not to exceed \$6,920,000 upon terms and conditions mutually agreeable to the Authority and the Borrower. The bonds will be issued pursuant to documents satisfactory to the Authority. The bonds may be issued in one or more series at one time or from time to time. The bonds will be limited obligations of the Authority payable solely from the funds pledged therefor, will not constitute a debt or pledge of the faith and credit of the Commonwealth of Virginia or the City of Alexandria, Virginia, and neither the faith and credit nor the taxing power of the Commonwealth of Virginia or any political subdivision thereof, including the City of Alexandria, Virginia, will be pledged to the payment of such bonds.

3. It having been represented to the Authority that it is necessary to proceed immediately with the financing of the Project, the Authority agrees that the Borrower may take such steps as it may deem appropriate in connection with the financing of the Project, provided, however, that nothing in this resolution shall be deemed to authorize the Borrower to obligate the Authority without its consent in each instance to the payment of any moneys or the performance of any acts in connection with the Project. The Authority agrees that the Borrower may be reimbursed from the proceeds of the bonds for all expenditures and costs so incurred by it, provided such expenditures and costs are properly reimbursable under the Act and applicable federal laws.

4. At the request of the Borrower, the Authority approves McGuireWoods LLP, McLean, Virginia, as Bond Counsel in connection with the issuance of the bonds.

5. All costs and expenses in connection with the financing of the Project, including the Authority's administrative fee and the fees and expenses of Bond Counsel and Authority Counsel, shall be paid by the Borrower or, to the extent permitted by applicable law, from the proceeds of the bonds. If for any reason such bonds are not issued, it is understood that all such expenses shall be paid by the Borrower and that the Authority shall have no responsibility therefore.

6. In adopting this resolution the Authority intends to take "official action" toward the issuance of the bonds and to evidence its "official intent" to reimburse from the proceeds of the bonds any expenditures paid by the Borrower to finance and/or refinance the Project before the issuance of the bonds, all within the meaning of regulations issued by the Internal Revenue Service pursuant to Sections 103 and 141 through 150 and related sections of the Code.

7. The Authority recommends that the City Council of the City of Alexandria, Virginia (the "Council"), approve the issuance of the bonds within sixty days of the date of the adoption of this Resolution, the Authority hereby directs the Secretary of the Authority to submit to the Council this Resolution, the Borrower's fiscal impact statement, and a summary of the public hearing held by the Authority prior to the adoption of this Resolution.

8. All of the acts of the Authority that are in conformity with the purposes and intent of this Resolution and in furtherance of the issuance and sale of the bonds and the undertaking of the financing and refinancing of the Project are hereby ratified, approved and confirmed.

9. This resolution shall take effect immediately upon its adoption.
